

No other 'Instant' Canopy sets-up Faster, Easier or offers More Exclusive Features than "Chequered Flag"

While some canopies claim to set-up 'Instantly', only Chequered Flag is specially engineered to offer true 'instant' set-up. No tools are required and Chequered Flags single piece construction means never having to search for parts. It's so lightweight that anyone can set it up and just as easy when it's time to put away your Chequered Flag. Each canopy comes with an easy-to-follow step-by-step guide and photos for handy reference.

Whether it's for work, play or anytime you need outdoor protection; a Chequered Flag is always the perfect choice. Rugged enough to use as car or boat cover, elegant enough for weddings, and durable enough for use by street vendors. You'll discover a wide range of practical use for your new chequered Flag.

Business people should ask about our custom graphics option. Colourful and highly visible, it's an ideal way to promote your product or service.
